

China Kaishan brand down-the-hole drilling rig factory

Where is Kaishan drilling located?

Address: No.26,107 National RD,Xiaoxiang Community,Wanjiang District,Dongguan City-523048-China. Kaishan drilling offers DTH drilling rigs,top hammer drill rigs,water well drill rigs,rock drilling tools,dth drill bits &hammers.

Who makes Kaishan drilling rigs?

Since 1956,KAISHANhas been a reliable manufacturer of rock drilling equipment and air compressors,and it has a strong dedication to manufacturing a variety of drilling rigs for mining and tunneling. KAISHAN provides a full range of drilling rigs designed for different applications in the mining,tunneling,and other infrastructure industries.

Who is Kaishan group?

Maybe you can find the answer in KAISHAN Group. We are the biggest air compressor and drilling equipment manufacturer in China. Our products include borehole drilling rig,water well drilling rig,industrial piston air compressor,and construction tools and parts.

Who is Zhejiang Kaishan heavy industry?

Zhejiang Kaishan Heavy Industry,part of Kaishan Group,manufactures advanced drilling equipment for mining,military,and construction. We offer safe,efficient,and customized solutions,with products in over 60 countries.

What are the products of Kaishan group?

Our products include borehole drilling rig, water well drilling rig, industrial piston air compressor, and construction tools and parts. With more than 60 years of experience, KAISHAN Group can produce 18 categories of construction equipment, common machinery, and pneumatic tool. In total, more than 1000 kinds of products are available.

What tools does Kaishan offer?

Kaishan has a complete range of top hammers,dth drilling toolsincluding hammers,bits,pipes,adapters,reverse circulation products,breakout benches and grinding machines with consumables.

Chinese 80 to105 mm Portable Hard Rock Drilling Rig Machine Hydraulic The KG310/KG310H down the hole drill rig for open use is an improved device in compliance with national ...

Applicable Industries: Building Material Shops, Manufacturing Plant, Machinery Repair Shops, Retail, Printing Shops, Construction works, Energy & Mining, Other, Other Showroom ...

China Kaishan brand down-the-hole drilling rig factory

The KG590/KG590H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder engine ...

Power Type Diesel Brand Name KAISHAN Usage Ore Voltage 380v Dimension (L*W*H) 9000*2360*3000mm Product name down the hole drill rig Application Mine equipment Feature ...

Kaishan KT12 integrated surface DTH drilling rig is a new drilling device which is carefully designed for large open-pit mine based on our development and production of DTH drilling rigs ...

KG420BH open-pit down-the-hole drilling rig is a new equipment upgraded in response to national environmental protection requirements. Equipped with Yuchai four-cylinder National III engine, ...

Kaishan Group Co., Ltd. is a well-equipped company with strong technical force, specialized in Water Well Drilling Rig, Screw air compressor, Surface Drill Rig, Core drilling rig, Food ...

We are the biggest air compressor and drilling equipment manufacturer in China. Our products include borehole drilling rig, water well drilling rig, industrial piston air compressor, and ...

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast ...

Zhengzhou Kaishan Mechanical & Electrical Equipment Co., Ltd. Our company are specialized in this field for over 25 years with high quality and competitive price. We provide various kinds of ...

kaishan KG430 blast hole drill rig / mine drilling rig The KG430 down the hole drill rig mine drilling rig for open use is an improved device in compliance with national regulations in diesel-engine ...

The KG590/KG590H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions.

1. The KT5C Integrated down-the-hole drill rig for open use is an advanced drilling device integrating the down-the-hole drilling system and screw air compressor system, characterized ...

This DTH drilling rig is mainly used to drill holes and pre-crack hole for open-pit mines and stonework project. The drilling rig is equipped with automatic unloading rod system and drill ...

Zhejiang Kaishan Heavy Industry, part of Kaishan Group, manufactures advanced drilling equipment for mining, military, and construction. We offer safe, efficient, and ...

The ZT5 integrated down the hole drill rig for open use is a new drilling device developed by Kaishan Group

China Kaishan brand down-the-hole drilling rig factory

after years of development and production of down the hole drill rig to meet the ...

The KT15 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast ...

Kaishan Brand Factory Price Kt7c Down The Hole Borehole Quarry Drilling Machine, Find Complete Details about Kaishan Brand Factory Price Kt7c Down The Hole Borehole Quarry ...

Factory Price Kaishan Brand KT9C KT9D Hydraulic Integrated Down The Hole Crawler Drill Rig 25m Depth For Borehole Rock Blasting

Drilling Depth Max.100m Condition New Type DTH drilling machine Power Type Diesel Brand Name Kaishan Usage Ore Voltage 220V/380V Dimension (L*W*H) 6500*2400*2600 (mm) ...

Product name DTH Drilling rig Drilling diameter 90-105mm Application Construction Drilling depth 24m Walking speed 0-3 KM/H Power 176KW Rotary torque 1680N.m Max push pull force ...

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework ...

KAISHAN is a world leading manufacturer of rock drilling equipment and air compressors since 1956 and specialized in manufacturing a wide range of ...

Established in 1956, KAISHAN is a world leading manufacturer of rock drilling equipment and air compressors and specialized in manufacturing a wide range of rock drilling rigs and air ...

KT5C Integrated Down the hole Drill Rig for Open Use The KT5C down the hole drill rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air ...

Our products are of good quality and reasonable price, enjoy a high reputation in the international market, meet international quality standards, and are well received by markets around the ...

The KT10 integrated down the hole drill rig is driven by the Cummins China stage III diesel engine and the two-terminal output can drive the screw compression ...

The KT5C automatic dth drilling rig for open use is an advanced drilling device integrating the down the hole drilling system and screw air compressor system, it is capable of drilling vertical, ...

The KT15C integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast holes and pre-splitting holes. It ...

China Kaishan brand down-the-hole drilling rig factory

Since 1956, KAISHAN has been a reliable manufacturer of rock drilling equipment and air compressors, and it has a strong dedication to manufacturing a variety ...

Are you wondering which kind of drilling rig and compressor are the best choices? Maybe you can find the answer in KAISHAN Group. We are the biggest air ...

Kaishan Brand Dth Diesel Portable Crawler Down The Hole Drill Rig Pneumatic Drilling Machine, Find Complete Details about Kaishan Brand Dth Diesel Portable Crawler Down The Hole Drill ...

Find kaishan brand down hole drill rig from wholesalers in China. Shop for mine drilling rig from Alibaba and enjoy favorable price points for ground excavators.
