

Company supplying mountain rock drills

Why do you need a rock drilling equipment supplier?

Rock drilling is a specialized field that requires the right equipment and the knowledge to back it up. You need a rock drilling equipment supplier like the Gill Rock Drill company that keeps up on today's advanced technology. Our equipment will make your work site safer and more efficient than ever before.

Why should you choose Gill Rock Drill Company?

Our commitment to excellent customer service and support matches well with the leading edge drill technology Sandvik has available. Whether it be contract drilling, rentals, service, or support, you can always rely on Gill Rock Drill Company to provide training and technical expertise.

Are Atlas Copco rock drills good?

The Atlas Copco rock drills are designed for various types of drilling in construction and mining applications. The rock drills are light and easy to handle, which makes them ideal for those quick jobs and for working in difficult-to-get-to areas. The Hand and Arm Protection System, helps to reduce harmful vibrations with up to 75%.

How powerful is a PT M109 Rock Drill?

With 2,100 to 3,400 BPM and an attachable APT valve, our tools can be used in wet or dry environments and are powerful enough for all your drilling needs! Lightweight and easy to handle, the APT M109 rock drill is perfect for drilling anchor bolt holes and small dowel holes.

What is a PT M155 rock drill used for?

It also works seamlessly with dowel hole drilling machines, making it a versatile choice for demanding applications. When the job calls for strength and precision, the APT M155 rock drill delivers. This 60-pound tool is built for general construction, utility work, and plant maintenance.

What is a PT M115 rock drill used for?

Built for versatility, the APT M115 rock drill handles anchor bolt and dowel hole drilling with ease. The stop rotation feature lets the user switch to percussion-only mode, making it a great choice for light chipping in horizontal or overhead applications.
