

Dehui swt series oil-free screw air compressor

What is a SWT oil-free screw compressor?

The SWT oil-free screw compressor series works on a dry compression principle and no lubricating oils are required throughout the entire compression process. The series is ISO8573.1 Class 0 certified and supplies 100% oil-free compressed air.

How does Fusheng swt series oil-free screw compressor work?

You can check the interested models and send inquiry to us. Fusheng launches the SWT Series oil-free screw compressor worked on a dry compression principle. Without lubricated oil in screw compressor chamber, it provides 100% oil-free compressed air to make sure your system is safer and more secure.

Are CompAir DH air compressors oil-free?

CompAir DH - 100% air purity that meets stringent quality standards. These oil-free air compressor models contain absolutely no oil anywhere in the compressor and have been certified ISO 8573-1 Class Zero (2010) and silicone-free.

Does screw compressor chamber need lubricated oil?

Without lubricated oil in screw compressor chamber, it provides 100% oil-free compressed air to make sure your system is safer and more secure. In order to satisfy various industrial applications, we strive to apply unique and advanced technologies in the products development and manufacturing.

Why should you choose a DH compressor?

Limiting the compressed air to the application demand with regulated speed ensures that no energy is wasted. DH compressors have significantly fewer moving parts than comparable machines, meaning there is less to go wrong, while lower speeds and balanced bearing loads extend the compression element service life for low-cost operation.

SWAN has more than 65 years of experience in the production of air compressors, we are well-prepared to provide the best products to you.

The DSP Series brings advanced oil-free operations right where it is needed: your facility! Built on Hitachi engineering, the DSP is designed to supply oil-free air ...

Using a single-stage, direct-driven motor without gears or belts, maximises efficiency. Limiting the compressed air to the application demand with regulated speed ensures that no energy is ...

SWT Series Oil-Free Screw Air Compressor, works on a dry compression principle and no lubricating oils are required throughout the entire compression process. The series is ...

Dehui swt series oil-free screw air compressor

The series is ISO8573.1 Class 0 certified and supplies 100% oil-free compressed air. It is designed with a sophisticated processing rotor, gear drive, and a reliable seal combination to ...

Plate-fin-tube cooler design, cooling drinking water goes inside pipe and compressed air goes by the shell, effortless to cleanse. Drawer kind style helps make convenient to servicing and ...

Hitachi oil-free screw compressors offer oil-free air at "Class 0" (ISO8573-1:2010 Class 0 TÜV Certification). It caters to different industries such as food and ...

True Oil-Free Air at Class 0 Level Test and analysis of condensation of oil in the discharge air of Hitachi Oil-free Screw Compressor (DSP) are implemented by third party (TÜV) based on ...

The SWT oil-free screw compressor series works on a dry compression principle and no lubricating oils are required throughout the entire compression ...

Hitachi oil-free screw compressors offer oil-free air at "Class 0" (ISO8573-1:2010 Class 0 TÜV Certification). It caters to different industries such as food and beverage, pharmaceutical and ...

SW series - water lubricated single-stage screw compressor Power: 5.5-250 kw Pressure: 8-12.5 bar Air displacement: 0.2-40.5m³/min Read More SWTV/SWT series - two-stage oil-free screw ...

The SWT oil-free screw compressor series, ranging from SWTII 75 to SWTII 250, operates efficiently at pressures from 7.0 to 10.0kg/cm²G. These models are equipped with water ...

Features and Advantages Efficient and energy-saving: replace oil with water to realize the four major functions of lubrication, cooling, sealing and noise reduction. 100% oil-free, providing a ...

The SWT oil-free screw compressor series works on a dry compression principle and no lubricating oils are required throughout the entire compression process. The series is ...

SWTV oil-free air compressor, with matching variable speed inverter and hybrid permanent magnet (HPM) motor, provides unparalleled energy efficiency at all speeds, and has excellent ...

Products FUSHENG SWTII Series Oil Free Screw Air Compressor SWT250Wii Dual capacity control: switch between 4-stage and seamless capacity control - with no compressor ...

True Oil-free Air at Class 0 Level Tests and analysis of condensation of oil in the discharge air of Hitachi Oil-free Screw Compressor (DSP) are implemented ISO-8573-1 by a third party (TÜV), ...

Dehui swt series oil-free screw air compressor

Sullair DS Series Dry Oil-Free Screw Air Compressor 75-280kW The Only Air Compressor Manufacturer To Concentrate Exclusively On Screw Technology Since 1965, Sullair ...

The SWV series air ends were designed to provide good air quality, perfect performance, and high reliability. It generates 100% oil-free compressed air for ...

Our design minimizes the pressure drop, optimizes the cooling effect, and reduces unnecessary pressure loss and heat consumption to a minimum. This series of unique designs enable you ...

DENAIR oil-free screw air compressor with Germany GHH air end ensures class 0 oil free air. Professional technical team can support you for oil free air ...

SWT II / III series oil-free screw compressorfa Unique design optimizes efficiency Ultra-thin coating We use ultra-thin patented technology. which shows ...

Proprietary patent "2 vent holes" construction design, keep the outside of oil seal at atmospheric pressure. During the unloading period of the compressor, the compression chamber is ...

Our design minimizes the pressure drop, optimizes the cooling effect, and reduces unnecessary pressure loss and heat consumption to a minimum. This ...

FUCZPT Oil Totally free CZPT Air CZPTProduct:SWT100Wii Complete oil-cost-free Proprietary patent "2 vent holes" development design and style, preserve the exterior of oil seal at ...
