

Hechi fixed air compressor installation company

Who makes Hitachi air compressors?

From building the first ever Japan-made air compressor in 1911, to introducing the world's first single stage oil-free screw air compressor in 1982, and as one of the leading air compressor manufacturers in Japan, Hitachi has always strived for innovation in both product and technology of air compressors. Need to contact sales or support?

Who is Rechi Precision Co Ltd?

RECHI PRECISION CO LTD was founded in Dec of 1989 with the vision of technical independence, world class products and creating the top-notch products and a tech life.

Why do you need an air compressor installation checklist?

A structured checklist not only reduces the risk of delays during commissioning but also lays the groundwork for smooth, uninterrupted operation. Proper air compressor installation is key to ensuring your air compressor operates efficiently, safely, and within manufacturer specifications. Let's walk through the steps to get it set up correctly.
