

## Heihe 300 rock drill

Drillmaster 300 is a robust, compact, electric-hydraulic, three boom mobile drilling rig, designed for optimal performance and reliability in demanding underground mining and tunnelling applications.

Using an integrated rock drill and splitter for hard rock crushing operations will increase the efficiency by more than 3 times compared to traditional hydraulic breakers.

300m Depth Crawler Full Hydraulic DTH Hammer Water Well Rock Drilling Machine (FY-300B), Find Details and Price about Water Well Drilling Rig DTH ...

Sandvik HL300 hydraulic rock drill - 8 kW percussive unit for 32-38 mm underground & 43-64 mm surface holes, low-profile design suited for bolting & ...

About TEI Rock Drills TEI Rock Drills Inc. manufactures drilling attachments and limited access drills in Montrose, Colorado, USA. These drills are used to install soil nails, tiebacks, ...

HL300 hydraulic rock drill is designed for long-hole production drilling on surface and rock bolting in hard rock bolting in underground hard rock mines. It is also used in light tunneling rigs.

The new Commando DC300Ri is a modern fully radio remote-controlled, rubber tired and oscillated surface top hammer drill rig with a vast hole size range and three rod sizes. The rig ...

TEI rock drilling attachments are the most versatile excavator drilling platforms available for ground improvement, earth retention and rock drilling ...

HDD Hole Opener Hard Rock Drilling 300mm Reamer Drill Bit for Sale, Find Details and Price about Drilling Equipment Drill Equipments from HDD Hole ...

TEI Rock Drills manufactures robust hydraulic rotary heads that are designed for smooth operation and simple maintenance in rotary drilling applications such as soil nailing and ...

Drilling sets the tone for the whole operation, impacting the speed, efficiency and cost of all downstream operations. Choosing the ideal tool for the rig and application is a critical step in ...

Our Mini Excavator Drill Attachment provides the power required for typical rock drilling applications. Ideal for installing rock bolts, soil nails and micropiles in ...

Fine Equipment India Pvt. Ltd. - Offering low price Fine Ex-drill 300 Rock Drill in New Area, Pune with

## Heihe 300 rock drill

product details & company information.

Industry-specific attributes Type Core Drilling Rig Power Type Diesel Use Coal/Ore Drilling Diameter 60mm, 76mm, 96mm Drilling Depth 80/220/300 (M)

300m Rock Blasting Hole Drill Rig Stone Breaker Machine Exploration Water Well, Find Details and Price about Drilling Rig Drilling Rig Machine from 300m ...

The TEI Portable Drill is the smallest drill possible using a feed (mast) system. Anything smaller would be a hand drill. Our unique portable drills are ideal for ...

Rotary and Impact 300mm Diameter Borehole Drilling Machine, Find Details and Price about Water Well Drilling Rig Water Drilling Rig from Rotary and Impact 300mm Diameter Borehole ...

ROCK-300 Geotechnical Exploration Borehole Portable Soil Sampling Core Drilling Rig Underground Diamond Core Drilling Rig. Video inspection, 33kw diesel engine, 1-year ...

Drillmec HH 300 Summary - Free download as PDF File (.pdf), Text File (.txt) or view presentation slides online. The HH300 rig has a maximum hook load ...

EMAS drilling is a completely manual DIY drilling method for making your own borehole. You can produce your personal drillset without the need for complex p...

GST VIBES 300 The GST Vibes 300 is a robust rock drill. It was specifically engineered for stope drilling. The drill is unique due to its thrust leg system. This system ensures that the operator is ...

The SUNMOY HG300D drilling rig is a powerful machine designed for drilling in various geological formations. It is equipped with a hydraulic system that provides downward hydraulic pressure ...

Plus Reduced environmental impact o Reduction of the working area o Minor height of the mast o Reduction of the noise o System of mud collecting and canalization Enhanced safety in ...

Commando(TM) DC300Ri drill rig is a hydraulic, self-propelled, compact drilling unit on a four-wheel oscillated drive carrier with full radio remote control. Easily ...

This rock drill can be operated from the small power pack and the airflow of the compressor is sufficient for most standard drilling in granite or concrete. Want to know more?
