Yes, Huitian has robust R&D strength with more than 300 researchers, including 10+ scientists and industry experts. Additionally, Huitian R&D investment exceeds 5% of revenue since 2018.

How many products does Huitian have?

The most comprehensive adhesive solutions in China with six sectors (Silicone, Polyurethane, Epoxy, Acrylic, MS, and Inorganic adhesive) and more than 2000 products to build core competencies. What certificates or approvals are available for Huitian's products?

How do you describe Huitian based on a true story?

Lazy writing, is the kindest way to describe this novel. Despite being an anthropocentric story featuring our world's geopolitical and social issues, the author does not actually have a basic understanding of the world around them. Huitian's setting isn't limited to China, but includes different countries and an ethnically diverse cast.
