The KG430/KG430H down the hole (DTH) drill rig is engineered for high efficiency open pit mining and stone quarrying use. The track drill features tramming and drilling controls easily accessed ...

The KT15 integrated down the hole drill rig for open use is a new drilling device developed by our company after years of development and production of down the hole drill rig to meet the ...

The KT11 integrated surface DTH drilling rig utilizes a single Cummins three-cylinder diesel engine with dual-end output, simultaneously driving both the screw compression system and ...

“Kaishan brand” down-the-hole drilling rig series products are innovatively designed according to the characteristics of Chinese mines, with novel structures, high efficiency, and energy saving.

Are you wondering which kind of drilling rig and compressor are the best choices? Maybe you can find the answer in KAISHAN Group. We are the biggest air ...

Product Features The Kaishan KT15 high pressure integrated drilling rig is specially designed as a high efficiency mining machine for large scale open-pit ...

## **Kaishan down-the-hole drilling rig new model**

The KG430/KG430H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder ...

Kaishan KT11 dth drilling machine is designed for high-capacity rock drilling in quarries, opencast mines & rock excavation. Get a FREE quote now.

The KG410/KG410H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions.

Equipped with the Yuchai four-cylinder engine (China III), the drill rig meets national standards for emissions and environment. The folding frame track, four-wheel drive are adopted; and track ...

The KG430H down the hole drill rig for open use is equipped with a dust collector, thus making operation more environment-friendly and reliable.

The KT25 integrated down the hole drill rig for open use can drilling vertical, inclined and horizontal holes, mainly used for open-pit mine, stonework blast ...

The KT20 integrated down the hole drill rig for open use is a new drilling device developed by our company after years of development and production of ...

The KG420H down the hole drill rig for open use is equipped with a dust collector, thus making operation more environment-friendly and reliable.

The Kaishan Portable Blast Hole Open Mine Drilling Machine KG726 Down The Hole Hammer Drill is an upgraded model developed to meet national environmental protection standards. It ...

The KG590/KG590H down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions. Equipped with the Yuchai four-cylinder engine ...

Our KT15 integrated surface DTH drilling rig is designed by drawing inspiration from previous models. It can satisfy most needs of operators by providing a ...

The KT15C integrated down the hole drilling rig is more heavy than KT15 model, which is lower revolving rotating speed of gyrator 100rpm/min, and with feed stroke 4580mm/5580mm for ...

The KT12 integrated down the hole drill rig is driven by the Cummins China stage III diesel engine and the two-terminal output can drive the screw compression ...

The hydraulic design technology is innovatively applied to the light down-the-hole drilling rig, which is highly

## Kaishan down-the-hole drilling rig new model

efficient and energy-saving. 2. Driven by a hydraulic motor, the rotary torque is ...

Brand Name KAISHAN Dimension (L\*W\*H) 9000\*2360\*3000mm Machinery Test Report Provided Video outgoing-inspection Provided Product name down the hole drill rig Application Mine ...

Kaishan Drilling Machine Best-Selling Model Kg726III for Coal Mine, Find Details and Price about DTH Drill Rig Drilling Machine from Kaishan Drilling Machine Best-Selling Model Kg726III for ...

Surface Drill Rigs Surface Down-the-Hole Drill Rigs Rotary Blasthole Drilling Rig, KG310/KG310H Hole diameter: 780-105mm Hole depth: 20m Feed extension ...

The KT12 integrated down the hole drill rig is driven by a Cummins China stage III diesel engine and the two-terminal output can drive the screw compression ...

Kaishan Portable Blast Hole Open Mine Drilling Machine KG726 Down The Hole Hammer Drill KG726/KG726H open-pit DTH drilling rig is an upgraded ...

Kaishan Kt7h Integrated Down The Hole Drilling Rig For Open-pit Mine Blasting, Find Complete Details about Kaishan Kt7h Integrated Down The Hole Drilling Rig For Open-pit Mine ...

The KG430S/KG430SH down the hole drill rig for open use is an improved device in compliance with national regulations on diesel-engine emissions.
