

Rock drill remote control custom price

What is a commando dc300ri drill rig?

Commando(TM) DC300Ri drill rig is a hydraulic, self-propelled, compact drilling unit on a four-wheel oscillated drive carrier with full radio remote control. Easily moved from one location to another, it is perfect for contractors working in variable applications.

What is a Traxxon drill rig used for?

They've been used globally in various drilling applications. Traxxon is a leading supplier of surface drill rigs from Sandvik in Canada, providing precision rock drilling equipment for challenging applications.

How deep can a flexiroc drill rig be used?

It supports hole diameters of between 5 and 10.7 in (127 and 272 mm) and can produce a maximum hole depth of 88.6 ft (27 m). Another example is the Atlas Copco FlexiROC T20 R drill rig, which is now sold under the Epiroc brand. This model travels on wheels instead of tracks and can be used for both surface and underground drilling applications.

Where can I buy a used vertical drill?

MachineryTrader.com offers a large selection of new and used vertical drills for sale from industry mainstays such as Caterpillar, Atlas Copco, Ingersoll-Rand, Sandvik, and many other manufacturers. One popular example is the Sandvik D25KS down-the-hole blast hole drill.

Which excavator drill attachment is best?

The TR-EX 1000 stands as a reliable, robust, and adaptable excavator or backhoe-mounted drill attachment. Installed on the excavator's dipper stick, this attachment seamlessly transitions from drilling to bucket or breaker operations within minutes. The TR-EX 1500 is a compact and high-performance excavator drill attachment.

ZGXY-420B-1 meets the requirement to drill diameter of ? 130mm hole with 76mm drill pipe. Rotation speed is up to 150rpm which satisfying the needs of some customers for high-speed ...

The remote radio control, 14 kW RD414 rock drill, advanced i-series torque control system and up to 18 square meter (193 sq ft) coverage area ...

Leading manufacturer of rock drilling machines in India. Explore about our company and our range of high-performance drills for mining, construction, and quarrying applications.

In addition, the Hydra-Drill is small and portable, and can be used in areas that large, commercial drilling rigs would have difficulty reaching without causing damage to your landscaping.

Rock drill remote control custom price

RockREMOTE Mini is a tough, low power, IP66 device, powered by Iridium Certus 100 and IMT; delivering secure, midband, global, high speed data ...
