

Rock exploration down-the-hole Drilling rig accessories

Who makes down the hole drilling tools?

Down the Hole Drilling Tools - Since 1987, America West Drilling Supply company has earned a reputation as a world leader, producer, and supplier of cutting edge drilling equipment. As manufacturers of Down the Hole and Reverse Circulation Hammers, we provide most of the supplies needed for any small or large project around the globe.

What types of drilling equipment are available?

Our extensive product line of drilling equipment includes DTH and reverse circulation hammers and bits, as well as various styles of rotary bits. Drill string products include adaptor subs, shock absorbers, drill steel, oilers, thread lubes, and more.

What DTH drilling tools do you offer?

We offer a complete range of DTH drilling tools including hammers, bits, pipes, adapters, breakout benches and grinding machines with consumables. The history of the down-the-hole hammer manufacturing goes back more than four decades. For the past 40 years and still today, our goal is to produce the best products for our customers.

Does drilling supply store sell drilling rigs?

With Drilling Supply Store, buying drilling tools has never been easier. We offer a complete line of drilling rigs for mineral exploration (RC drilling and coring), water well and geothermal drilling, foundations and other construction or mining applications. **FIND OUT MORE ABOUT OUR DRILLING RIGS. © 2022 Drilling Supply Store.
