Where can I buy air compressors & air tool accessories?

All the air compressors and air tool accessories you need are at Harbor Freight. We carry air hoses, air hose reels, quick connectors, valves, filters, regulators, and more. Find the best values at one of our 1400+ stores nationwide.

What are compressed air accessories?

Compressed air accessories are designed to work alongside compressed air piping and fitting connections. Our range of high-quality accessories will assist with any installation and maintenance of compressed air piping systems. What types of compressor accessories are available?

What is an air compressor accessory kit?

An air compressor accessory kit gives you the tools you need for compressor repair and maintenance. Twelve-piece sets include accessories for air dusting, inflating, pressure checking and air line connection. Other kits feature even more tools, such as a blow gun with nozzle attachments, quick connect plugs, tire gauges and more.

What air compressor accessories does Harbor Freight offer?

With a wide selection of air compressor accessories, including air hoses and reels, swivel whip and air hose leads, air hose repair kits, air accessory kits, and more, you can do it for less at Harbor Freight.

What tools do you need to install compressed air pipes?

Tightening Spanners & Wrenches- These tools provide extra grip and ensure the safe tightening of compressed air pipes during installation. Brackets - Wall mounting brackets with various numbers or outlets to assist with multiple piping systems. Cutting and chamfering tools - Cutting tools to accurately cut pipes to the desired length.

All the air compressors and air tool accessories you need are at Harbor Freight. We carry air hoses, air hose reels, quick connectors, valves, filters, regulators, and more.
