

THJ-2600 core drill rig

There are THJ-2600 core drilling rig, the drill rig is 2600 meters, 73 drill pipe 2000 meters, use: THJ-2000 rig, suitable for coal geology, hydrogeology, metal ...

The core drilling rig is designed with a wheeled walking mechanism and hydraulic cylinder pillars, making it easy to move and adjust the rig's level. It features a hydraulic feed mechanism that ...

It can meet the technological requirements of diamond drilling, hard alloy drilling and rope coring drilling. The drilling rig can be equipped with electric motor or diesel engine for users to choose ...

This complete stand-alone core drill rig offers field independence, versatility, dependability, and easy single-person operation. Provides mobile yet very stable drilling platform, which extends ...

This complete stand-alone core drill rig offers field independence, versatility, dependability, and easy single-person operation. Provides mobile yet very ...

Discover XY drilling rig with high quality from drilling rig manufacturer - Saigao group in China. We can provide types of drilling rigs: borehole drilling rig, ...

Hand Held Core Drills for drilling concrete, asphalt, stone and tile. Husqvarna, Shibuya, Core Bore brands are all available. Great quality, long lasting.

Precise and clean diamond core drilling Diamond core drilling machines from WEKA impress with pure functionality, maximum performance and maximum load capacity. Housed in the smallest ...

There is also THJ-2600 core drilling rig, which is 2600 meters for 60 drill pipes and 2000 meters for 73 drill pipes. Purpose: THJ-2000 drilling rig is suitable for deep holes such as coal field ...

Soil Investigation Mini Hydraulic Core Exploration Drilling Rig For Sale Portable: HT is a professional manufacturer for mini hydraulic core exploration drill rigs ...

Here you will find drill rigs from Tyrolit for maximum performance and efficiency in core drilling. Find out about all the advantages of our products!

Shijiazhuang Coal Mine Machinery Co., Ltd. is the production of coal mining machinery, truck crane, rock bolt drilling machine, boring machine, coal products, boring equipment, auxiliary ...

Our core sample drilling testing rig machine combines advanced technology and rugged durability to

THJ-2600 core drill rig

accurately extract and analyze geological samples. ...

5 days ago#0183; MOBILE B-2400 HELI-PORTABLE AUGER / CORE DRILL RIG (Ref#6813Tc) 12" mast, 10,000 lb winch, 72" stroke, 900 torque auger, 700 torque core, high speed hydraulic, 2 ...

The Diamec Smart 6M from Epiroc combines the best of two worlds - the high productivity and accuracy of a Diamec core drilling rig, with the mobility of a ...

Buy rock core sampling drilling machine, small portable soil rock rotary core drilling cutting equipment, good price for sale, HT brand from China.

The Diamec Smart 6M from Epiroc combines the best of two worlds - the high productivity and accuracy of a Diamec core drilling rig, with the mobility of a well-proven, robust Boomer S2 ...

Sandvik has brought together some of the industry's most outstanding expertise, products, techniques and equipment to provide a unique offering in the area of exploration drilling. ...

Whether you're tackling heavy-duty construction tasks or precise angle drilling, the Husqvarna DMS 240 Core Drill Rig offers the power, precision, and ...

The JULONG JY series fully hydraulic core drilling rig is developed by our company based on the advanced technologies of similar drilling rigs at home and abroad. 1. The drilling rig adopts a ...

There are THJ-2600 core drilling rig, the drill rig is 2600 meters, 73 drill pipe 2000 meters, use: THJ-2000 rig, suitable for coal geology, hydrogeology, metal deposits, non-metallic deposits ...

The LS100 is the original small, DIY water well drill rig. It's economically priced and designed specifically for water well drilling in developing nations.

These drills use the standard 1-1/4" threads used by most concrete core drills. They are designed to drill through rebar reinforced ...

Our assortment of drill rigs includes variants for standard drilling with diameters up to 1,000 mm, but also special solutions for large-hole core drilling of up to 1,500 mm.

The rigs is equipped with cathead device to loosen and tighten drilling tools. They are used for drilling and exploration of water resource, medium and shallow ...

Hydraulic core sample drilling rig manufacturers, core bore hole drilling machine, with pressure adding to power head: Discover our range of core drilling ...

THJ-2600 core drill rig

Drilling machine equipped with water brake device, can control the drilling speed, reduce the reel, brake and other parts of the wear and tear, to eliminate the impact of lifting system to ensure ...

SKU: N/A Categories: Core Drilling Machines, Core Drilling SKU Machine Options Price DP-13070100 DMP-162P Drilling Machine R 15,623.00 incl VAT Add to cart

The main products are drilling equipment and drilling tools. Drilling equipment includes water well drilling rig and mud pumps, and drilling tools includes drilling pipe, adapter, Kelly and drilling ...

There are also THJ-2600 core drilling rigs, which are 2600 meters with 60 drill pipes and 2000 meters with 73 drill pipes. Uses: THJ-2000 drill rigs are suitable for deep holes such as ...

This core drill unit comes with an M-5 combination tilt stand (up to 45 degrees), quick release motor mount, CB733 motor, and vacuum pump. The Core Bore ...
