

XCMG crawler anchor down-the-hole drill rig

XSL series crawler deep well drilling rigs are mainly used for various deep hole drilling construction such as shallow oil and gas wells, geothermal wells, ...

DTH drilling rig is a medium-sized integrated down the hole drilling machine mainly developed for quarries, cement mines, open-pit mines and other mines, ...

XCMG Factory Used Xqz152 Popular Crawler Mounted DTH Deep Bore Hole Drill Drilling Rig Machine for Sale DTH drilling rig is a medium-sized integrated down the hole drilling machine ...

DTH drilling rig is a medium-sized integrated down the hole drilling machine mainly developed for quarries, cement mines, open-pit mines and other mines, which can complete the drilling ...

XQZ229 surface down-the-hole drill rig is a large-sized integrated down-the-hole drilling machine mainly developed for open-pit mines, which can complete the ...

XSL series crawler deep well drilling rigs are mainly used for various deep hole drilling construction such as shallow oil and gas wells, geothermal wells, mining wells, industrial and ...

XCMG is the 5th largest construction machinery company in the world. It is ranked 65th in the list of China's Top 500 Companies, 44th in the list of China's Top 100 Manufacturing Enterprises, ...

This crawler-mounted DTH drill rig delivers powerful and efficient drilling for tough rock in mining and quarrying. Its robust, mobile crawler design ensures superior stability and performance on ...

China famous XCMG 700m Deep XSL7/350 Mobile Crawler Water Well Drilling Rig Machine at the right price. Find out what machinery you want from our ...

Crawler anchor drilling rig, construct-optimized, self-moveable, easily to install& uninstall the drilling tools and comprehensive anchoring job ability.

Equipped with a high-performance air compressor and XCMG's unique drilling expert system, it boasts not only ample power but also unmatched efficiency compared to ...

XCMG Official 92ton Crawler Rotary Drilling Rig XR360. XR Series Rotary Drilling Rig stands for our company's achievement in many years" ...

XCMG crawler anchor down-the-hole drill rig

Rotary Drilling Rig Performance Characteristics It adopts dedicated hydraulic retractable crawler chassis and heavy slewing bearing and has high stability. It adopts the luffing mechanism of ...

XQZ229 surface down-the-hole drill rig is a large-sized integrated down-the-hole drilling machine mainly developed for open-pit mines, which can complete the drilling of main blasting holes ...

XCMG 30m Multi-Function Hydraulic Anchor Drilling Rig Machine XMZ130T is specially designed for Micro-piles work. The characteristic of this rig is excellent motility reliability and high ...

XQZ152 surface down-the-hole drill rig is a medium-sized integrated down-the-hole drilling machine mainly developed for quarries, cement mines, open-pit mines and other mines, which ...

XCMG crawler anchor down-the-hole drill rig
