

YG 100 engineering drilling rig

Application Of YG Series Crawler Full Hydraulic Core Drilling Rig 1. Oil, gas, and mineral resources exploration 2. Engineering geological prospecting 3. ...

Product description YG-400, This machine mainly used for geothermal drilling, farm irrigation, house yard, gardens and water well drilling, drilling diameter is ...

Core Drilling Rigs for Sale Application Areas Generally, we use fully hydraulic core drilling rigs in the inventory and survey of metallic and nonmetallic solid ...

YG series water well drilling rig suitable for drilling wells, agricultural irrigation wells, and other wells. Multifunctional drilling rig.

The rig supports multiple drilling techniques, including wire line core drilling and rotary drilling, making it suitable for hard rock, soft soil, and mixed formations. Additionally, its modular and ...

YG have a complete line of water well drilling rig, range from 100m to 800m depth capacity, designed for borehole drilling, industry, agriculture, national defense building foundation, ...

Our equipment can penetrate various complex geological conditions, ensuring efficient and safe drilling operations, and is widely used in agricultural irrigation, urban water supply, energy ...

Looking to lower deep water well drilling cost? Choose YG deep rock well drilling rig designed for long-term reliability in hard layers.

Core Drilling Rig YG core drilling rig is a multifunctional core drilling rig, mainly used for shallow hole core drilling with diamond or carbide drill bits. It is also ...

Henan Yugong Machinery Co., Ltd, located in Zhengzhou, Henan province, China, which is a large engineering machinery manufacturing enterprise focusing on the research and ...

Oil Drilling Equipment Yg 100 Traveling Block for Drilling Rig, Find Details and Price about Wellhead Tools Travelling Block from Oil Drilling Equipment Yg ...

YG core drilling rig is a multifunctional core drilling rig, mainly used for shallow hole core drilling with diamond or carbide drill bits. It is also suitable for engineering geological survey, ...

The YG150 DTH Drilling Machine can realize the medium and high wind pressure drilling operation of the

YG 100 engineering drilling rig

drill rig and has high-cost performance. YG DTH Drill ...

The drilling rig is fully hydraulic driven and can realize stepless speed regulation, simple operation, convenient maintenance and less vulnerable parts. The drilling rig can be applicable ...

The submersible drilling rig is small in size and light in weight and suitable for large. The medium-sized drilling rig can not carry on the work place, ...

Portable water well drilling rig are specialized machines engineered to bore holes into the earth to access underground water sources. Unlike larger industrial rigs these compact units are ...

The medium-sized drilling rig can not carry on the work place, convenient and flexible. 2. The submersible drilling rig uses the electric energy as the power, ...

The DTH drilling rig is an impact rotary drilling rig. Its internal structure is different from that of a general rock drilling machine.

The pneumatic crawler water well drilling rig is a lightweight, efficient and multi-functional crawler type fully hydraulic drilling rig. It has the characteristics of advanced structure, easy operation, ...

What Are The Applications Of Trailer Mounted Well Drilling Rig? The trailer mounted water well drilling rig is suitable for a variety of construction empty ...

YG specialize in the production of DTH drilling machine. Ideal choice for blasting holes in limestone, bluestone, granite, soil, etc.

Yg 100m 200m 500m 600m Drilling Rig Shield Machine with CE, Find Details and Price about Geotechnical Drilling Rig Pipe Jacking Machine from Yg 100m 200m 500m 600m Drilling Rig ...

Name Borehole Drilling rig Application Drilling Blast Hole Product name Underground Drill Drilling depth 30m dth drill rig Drilling diameter 60-150mm Model YG-70/90/120 Engine Electric ...

Hydraulic Core Drilling Rig YG core drilling rig is a multifunctional core drilling rig, mainly used for shallow hole core drilling with diamond or carbide drill bits. It is also suitable for engineering ...

Yg -100b Dth Core Drill Rig Portable Drilling Rig Water Well Crawler Drilling, Find Complete Details about Yg -100b Dth Core Drill Rig Portable Drilling Rig Water Well Crawler ...

The core drilling rig is a multifunctional drilling equipment, mainly used for the survey and exploration of metal and non-metallic solid minerals, water well drilling, and can also be used ...

YG 100 engineering drilling rig

YG drilling rigs are roughly divided into: water well drilling rigs, mine drilling rigs, blasting hole drilling rigs, pilling rigs, core drilling rigs, rotary drilling rigs, and horizontal directional drilling rigs.

Applicable to: The main drilling object is rock formation, large-diameter blasthole rock drilling operations in small and medium-sized mines, road construction, water conservancy and ...

Application Of YG Series Crawler Full Hydraulic Core Drilling Rig 1. Oil, gas, and mineral resources exploration 2. Engineering geological prospecting 3. Hydrological well exploration 4. ...

Product Profile The drilling rig is a fully hydraulic drive power head type drill. It is suitable for the construction of large tonnage anchorage hole and drainage hole, and the prevention of ...

YG drilling rigs are roughly divided into: water well drilling rigs, mine drilling rigs, blasting hole drilling rigs, pilling rigs, core drilling rigs, rotary drilling rigs, and ...

About Us Zhengzhou Yugong Engineering Machinery Co., Ltd is a professional manufacture of drilling rigs. In the 17 years development, YG has been insisting on providing customers with ...

The drilling rig is a fully hydraulic drive power head type drill. It is suitable for the construction of large tonnage anchorage hole and drainage hole, and the prevention of landslide and rock ...
