

# Yongji diesel air compressor rental price

When should you rent an air compressor?

Air compressors are rented by the day, week, or month. Rental rates increase with the size of the compressor, as well as the length of rental. Air compressors provide an added convenience to any job site. Choose a portable air compressor rental for short term projects or a towable unit for maximum power on longer jobs.

What types of air compressors are available for rent?

Trust the United Rentals fleet of air compressors to meet the needs of your project. Our air compressors for rent offer a variety of CFM (cubic feet per minute) and PSI (pounds per square inch) ratings, sizes and power types, including gas, diesel and electric options.

How much does it cost to rent an air compressor?

The choice between renting and buying depends on a few factors such as size and type of business, and economics. Generally, of the two air compressor types available for hire, rental rates for portable models range from \$45-\$90/day or \$100-\$200/week. In contrast, a trailer-mounted compressor rental costs \$75-\$950/day or \$220-\$2,500/week.

Where can I rent an air compressor?

United Rentals carries a leading selection of air compressors for rent, designed to provide efficiency and productivity to jobsites. Our inventory includes both towable and diesel-powered units. Get these exclusive online rates by renting through our website or app. For our full list of air compressors for rent, view the items below.

How much does a diesel air compressor cost?

A 185 CFM diesel air compressor that can power blasting pots or jackhammers can rent for \$114 a day, \$312 a week, or \$754 a month. A larger 1,600 CFM compressor that can provide air at higher PSI for an extended period will run you \$710 a day, \$2,031 a week, or \$4,914 a month. Exact rates may vary depending on your worksite location.

How much does an air compressor cost?

For example, a 50hp reciprocating electrically powered air compressor costs around \$50/day or \$200/week. In comparison, if you want a larger 400hp rotary screw electrically powered compressor, you can rent one for around \$1,000/day or \$4,000/week. If you intend to use an air compressor, you also need various accessories.
