

Yunfu engineering drilling rig

Where can Jinfan drilling rigs be used?

Jinfan is the only manufacturer of a drilling rig suitable for use in geological investigations in China. Our HGD-200 and HGD-300A rigs are frequently used for offshore engineering geological investigations in the South China Sea, the Huanghai Sea, and the East China Sea.

Where is Jinfan drilling equipment company located?

Address: No. 221, Xi Tai Road, Mei Cun Industrial Zone, New District, Wuxi City, Jiangsu Province, P.R. China. JINFAN Drilling Equipment Company is a renowned drilling rig manufacturer and supplier in China.

What is HF1000D hydraulic drilling rig?

HF1000D is a multifunctional drilling rig independently developed by our company. It can be used for engineering geology... HFQ45 crawler hydraulic drilling rig adopts new hydraulic technology, which has low air consumption, high rotary torque ...

What is Jinfan YG & YGL series hydraulic crawler drilling machine used for?

In addition, JINFAN YG and YGL series hydraulic crawler drilling machines are ideal for side slope and foundation construction, reinforcement in water power stations, and the construction of railways, highways, tunnels, high rise buildings and more.

What types of drilling rigs are available?

Our most popular products include a hydraulic anchor drill rig, hydraulic crawler drilling rig, water well drilling rig, core drilling rig, in addition to a variety of related drilling tools including our DTH hammer, pulling machine, eccentric casing bit and wire-line core barrel.

Which anchor drilling rigs are best for subgrade strengthening?

Our YG-30, YG-50 and YG-60 anchor drilling rig models are extremely popular for subgrade strengthening, so as to prevent landslide disasters, rock collapses, as well as other geological calamities.

Now, the Group pursues high standard manufacturing and qualified products. It has more than 20 species such as water well drilling rig, re-drilling rig, ...

The drilling rig consists of three main parts: the main engine, the control console, and the pump station. Each component adopts flexible connections, with a simple structure and good ...

RC drilling rig, reverse circulation drilling machine, is a drilling machine with a unique design. Its working principle is to inject liquid from the bottom of the wellbore to the top of the wellbore ...

Rotary Drilling Rig Supplier, Engineering Drilling Rig, Used Rotary Dig Drill Manufacturers/ Suppliers -

Yunfu engineering drilling rig

Anhui Yingxie Basic Engineering Co., Ltd.

Our expertise extends to providing reliable solutions tailored to your requirements. Whether you need skilled labour, drill rig hire, or fabrication and engineering.

The high-efficiency, durable and environmentally friendly drilling equipment from the drilling rig China manufacturer can be used in various fields to meet the construction needs of various ...

China Hydraulic anchor crawler drilling rig, Hydraulic surface core drilling rig, Hydraulic RC drilling rig, offered by China manufacturer & supplier -Wuxi Jinfan Drilling Equipment Co., Ltd., page 1

Find company research, competitor information, contact details & financial data for Yunfu Zhongli Engineering Mechanical Equipment Co., Ltd. of Yunfu, Guangdong. Get the latest business ...

Beijing BOMCO · Introduction Beijing BOMCO Offshore Petroleum Engineering Technology Co., Ltd. (BOMCOBJ), with previous name BOMCO ...

As a long recognized leader and innovator in the Drilled Shaft Industry, Watson is uniquely qualified to design and manufacture foution drill rigs for drilled shaft ...

Explore the different types of drilling rigs from the oil and gas industry and understand how each one is built for specific depths, locations, ...

Hanfa Group established in 1998 is a key enterprise in the industry of geological exploration and water well field, with the ability to research, manufacture and ...

Discover high-quality drilling solutions with Sinocoredrill, a leading China manufacturer of drilling rig equipment and accessories. Our extensive range includes exploration drill rigs, surface ...

1 Introduction 1.1 Drilling process in the oilfield In the petroleum industry, the paramount way to get oil and gas is well drilling which is used to create holes in the earth sub-surface using a ...

Rig Analytics: Quantify competitors" logistical efficiencies of rig movements, track drilled but uncompleted wells, and understand driller operator relationships ...

As a China top oil drilling rig solids control system manufacturer: GN Solids Control now list the top 10 oil drilling rig manufacturers for your reference. Smart Buyers get Solids Control Mud ...

Jinfan is especially devoted to research & develop, manufacture and sell anchoring drilling machine, sea engineering geological exploration drilling rig, core drilling machine and RC ...

Yunfu engineering drilling rig

Water Well Drilling rig About Us Esun Equipment Limited Esun Equipment CO. Located in Hunan, China, we have been specializing in the R& D and ...

The high-efficiency, durable and environmentally friendly drilling equipment from the drilling rig China manufacturer can be used in various fields to meet the ...

The high-torque rotator (up to 2340kgm or 16850 ft.lb torque) make it suitable for micropile and DTH drilling application. With the optional feature, "side swing device", the rig will have some ...

It is the leader of supplying sea engineering geological exploration drilling rig, anchoring drilling machine, RC drilling rig, core drilling rig, drilling technique and drilling tools used in cracked ...

The Drilling Rig Model YGL-C180, which is a full hydraulic top drive impact power head crawler drilling rig. It applies to construction of big tonnage stress anchoring hole, the grouting ...

We engineer an extensive range of underground drill rigs for mining development and production. Available in a variety of feed lengths, boom configurations and ...

Established in 1992, Quzhou Sanrock Heavy Industry Machinery Co., Ltd. is a manufacturer specialized in the research, development and production of DTH ...

Introduction - Function of Drilling Engineer To prepare drilling programs; modified drilling program cost estimates including AFEs (Authorization for Expenditure); bid specification for drilling ...

Rig Description The anchor drilling machine is mainly used in the sliding wave control engineering of railway, highway, water conservancy and hydropower ...

As a China top oil drilling rig solids control system manufacturer: GN Solids Control now list the top 10 oil drilling rig manufacturers for your reference. ...

China Engineering Drilling Rig catalog of Rock Carbide Auger Bit Teeth Rotary Foundation Drilling Tool provided by China manufacturer - Wenzhou Jyf Machinery Manufacturing Co., Ltd., page1.

We have 203 Oilfield Drilling Rigs Drilling Equipment for sale rent & auction. Find the new, used, & rental you need. Listings updated daily from manufacturers & private sellers.

Drilling the Bakken Formation in the Williston Basin Large hole drilling rig for blast-hole drilling A drilling rig is an integrated system that drills wells, such as oil or water wells, or holes for piling ...

Understanding the equipment and tools used in drilling rigs is essential for petroleum engineers and drilling engineers alike. These ...

Yunfu engineering drilling rig

Our drilling machines are used in GSHP systems, engineering geological investigation, water well construction, water conservation industries. We specialize in engineering top-of-the-line ...

We specialize in engineering top-of-the-line crawler drilling rig, geothermal drilling rig, and anchor drilling equipment for geological strata. Our team of experienced designers can make ...
